1. Although the Human Rights situation here ~~remains~~ remains one of great concern, we do believe that continued abstention on the upcoming world bank loans is appropriate.

2. Current Human Rights situation in Argentina has remained essentially static since the government's Christmas action in removing some 389 persons from PEN status and agreeing to publish the names PEN prisoners. Since Embassy's balance sheet of the Human Rights situation on April 17 (See Buenos Aires 2907) we detect no noticeable changes "up or down".
